

MERCWORKS

It's a webcomic based loosely on my life
except the main character has a mustache.

I call it JerkWorks

WEBCOMICS, INC

Sorry, I can't
buy this.

It's fine, but
nobody reads
webcomics.

Isn't webcomics, like
... what you do?

Yes, but we're also a vape shop.

I was wondering
about that

Vapes, juices, mods -
that's where the money is.

**VAPE
LIFE**

I don't really smoke.
Is vaping for me?

Vaping is for
everybody.
